

## Post and Auxiliary Hold Combined Meeting

One of the most interesting and instructive meetings that has taken place in Narberth for a long time was held on Friday evening, January 28th, in Elm Hall, when the Harold D. Speakman, Post 356, of the American Legion of Narberth, assisted by the Women's Auxiliary to the Post, entertained the citizens of the town in an open meeting. This was the first of what the Post and Auxiliary hope to repeat annually, to which the citizens of the town will always be invited, and it is to be hoped that they will avail themselves of this opportunity to learn of the Post's activities and enter into the social side of the organization.

Among the guests were three Civil War veterans: Mr. P. D. Hall and Mr. George W. Fraley, of Narberth, and Mr. Griffith E. Morgan, patriotic instructor and chaplain of Post 21, of Philadelphia.

Mr. George Ross, District Deputy Commander, gave a very instructive talk on "The Formation and Purposes of the American Legion." Mr. Fletcher W. Stites spoke most interestingly on "Relation of the American Legion to the Country." Mr. Maurice du Marais, historian for the Post, read the Post's history for 1920, and Mrs. Florence D. Ross, Auxiliary historian, read the history of the Auxiliary.

Mrs. Joseph Barclay sang two very pleasing selections, accompanied by Mrs. A. B. Ross at the piano, and Mrs. Merritt Davis gave two very amusing recitations.

Mrs. Elizabeth Howes, President of the Auxiliary, presented the Post with their national colors.

Three members of the jazz orchestra, who furnish the music for the Legion dances, volunteered their services for the evening. An informal dance followed the program and the Hospitality Committee of the Auxiliary and its

## The Community Club Library

The experience of the race has taught us to formulate proverbs about such things as great oaks growing from little acorns, and strengthened in the belief expressed by this proverb, the Community Club started last Monday through its Literature Department a circulating library of the year's best fiction. While there are only eighteen books in the library at present, it is hoped that they may form a nucleus of a much larger library which will serve in time not only the members of the Community Club, but also the entire borough. Mrs. Horace E. Ruch has been appointed librarian and will distribute the books at a charge of ten cents for each week or fraction thereof.

The absence of a library in Narberth has been a source of constant regret to many people. It is the serious intention of the Community Club to develop a library which shall ultimately be adequate to meet the requirements of this community, and while the present beginning is necessarily small, the club members regard it as being very hopeful and look forward with confidence to its steady growth.

Following is a list of the books: "Adventures and Enthusiasms," E. V. Lucas; "A Poor Wise Man," Mary Roberts Rhinehart; "Blind," Ernest Poole; "Hunger," Knut Knutson; "Main Street," Sinclair Lewis; "Miss Lulu Bett," Zona Gale; "Moon-Calf," Floyd Dell; "Personal Prejudices," Mrs. Clifton Sturgis; "Potterism," Rose Macaulay; "The Age of Innocence," Edith Wharton; "The Captives," Hugh Walpole; "The House of Balthazar," W. J. Locke; "The Purple Heights," Marie Oemler; "The Rescue," Joseph Conrad; "The Thread of Flame," Basil King; "The Top of the World," Ethel M. Dell; "26 Jayne Street," Mary Austin; "Wounded Souls," Philip Gibbs.

## League of Women Voters

Elsewhere in these columns attention is called to the coming joint meeting of the League of Women Voters and the Women's Community Club on next Tuesday, February 8th, at 2.30 P. M., in the Y. M. C. A.

This is to be an open meeting to all women of Narberth.

Monthly meetings of the League will be held while the Legislature at Harrisburg is in session, which will probably be until the end of April. The League will aim through these meetings and the columns of Our Town to keep the members in touch with the legislation deemed most important.

It is urged that the women who have so far enrolled themselves as members in the League and have not as yet paid the annual fee of \$1.00 do so at once by sending this amount to Mrs. Edgar Cockrill, Treasurer, 205 Forrest avenue.

The tentative assessment to State and County for the Narberth Branch is \$50, and the officers are anxious to meet this tax so that the work of the League may be properly executed.

Below are given some of the bills entered at Harrisburg that are of particular interest to women:

House Bill No. 111 is of interest especially to League members who are studying election laws. It provides for a change in the required length of residence in a division in order to qualify for participation in a primary election. At present the law requires that a qualified voter must reside two months in a division in order to participate in a regular, special or primary election. Mr. Harding's bill would make the

## Legislative Day at The Community Club

The meeting of the Community Club on Tuesday afternoon next, arranged by the Legislative Department, will be of interest to all the women of Narberth, and will be open to all who care to attend.

Mrs. H. L. Schwarz, Chairman for Montgomery County of the League of Women Voters, will give a brief resume of the women's legislative program for the coming year.

While women are slowly finding themselves in the big new fields the vote has opened to them, they cannot go far amiss by supporting this very live organization, which is doing such fine educational and constructive work in our State.

The main speaker for the afternoon will be Miss Jessie Evans, who will discuss our new City Charter.

Miss Evans is an authority on city government, and has been much in demand during the past year for lectures and classes in citizenship.

She is also collaborator with Dr. Barnard in "Barnard & Evans' City Government," and is fully equipped to tell us just how our city should function under its new charter, and in what ways we may help in its development. It is earnestly hoped that all the women of Narberth who are interested in their new citizenship will avail themselves of this very instructive meeting.

Mr. Lewis Wood Easby will be the soloist of the afternoon.

The President has requested the members to come prepared to suggest appropriate mottoes, one of which may be chosen as a club motto.

## Ardmore Y.M.C.A. News

On Monday evening, February 7th, we will begin our men's checker tournament. This tournament is being put on for the enjoyment of the checker players of the community. A very good time is anticipated and we expect a goodly number of checker players, skilled as well as amateurs, to register on or before Monday evening, so the schedule can be made out. It is open to everybody who cares to participate.

Any person who has a little time to spare during the noon hour is most welcome to enjoy the short motion picture put on in our building every day, except Saturday and Sunday, at 12.10. ## To Safeguard Narberth Homes

At a special meeting of the Police Committee of Narberth Council held in the Council Chamber, on Wednesday evening, definite steps were taken to afford police protection to the citizens of Narberth.

It is urgently requested by the Police Committee that the utmost possible co-operation be given from the citizens of our borough during these strenuous days when safety of our lives and homes should be more closely safeguarded than ever before.

Constable John A. Miller has sworn in a sufficient number of boys of the American Legion to thoroughly patrol the borough day and night, and to this extent it is urgently requested that no strangers be admitted to your home until you or they have established the fact as to their purpose and authority, especially the men who claim to be connected with public utilities, such as the Electric, Gas, Telephone, Water Companies, etc. Such representatives should wear their badge of authority, and it is within your rights to request identification.

The emergency measures to meet the situation will be carried out actively to the fullest detail.

Where any difficulty arises where immediate assistance is desired, phone Constable Miller, Narberth 661-J, or 1225-J. During the hours of from 6—12 P. M., the American Legion Boys will be ready to answer any emergency calls if Narberth 1250 is asked for.

## Editorial

Fires destroyed \$18,350,000 worth of property in Pennsylvania during 1920, according to figures announced by Major C. M. Wilhelm, Chief of the Bureau of Fire Prevention, of the Department of State Police. There were 13,200 fires reported to the Bureau, 749 reported as of suspicious origin were investigated by representatives of the Bureau.

During the year, 4,111 orders were issued for the removal or remedy of fire hazards, as against 1,889 orders for the previous year. Bureau activities included 8,761 inspections of property in various sections of the State in connection with the campaign being waged to "Make Pennsylvania Fireproof." Forty-one arrests were made of persons suspected of arson.

#### PARCEL POST.

The total number of pieces of parcel post mail handled during the fiscal year is estimated to exceed 2,250,000,000.

The revenue derived from parcel post is now estimated at \$150,000,000 annually, of which approximately \$10,000,000 is profit. This is the only transportation agency which has not increased its rates or declared embargoes or priorities and which now transports and delivers merchandise with the same celerity as before the war.

#### WOMAN IS MADE ASSESSOR.

Mrs. Jane Kelly, a widow, of West Conshohocken, has been appointed assessor for the Second Ward in that borough. She succeeds her father, Michael McDonnell, who held that office 25 years. She is the first woman assessor in Montgomery County.

#### LICENSES NOW 156.

Saloons Growing Less—Permit for Merion Square Hotel Abandoned.

When the office of Clerk of Courts of Montgomery County closed on January 24, the last day to file applications

for liquor licenses or renewals, all but three Montgomery County tavern keepers who held licenses in 1920 asked for renewal. The three who permitted their old license to lapse included Mrs. Florence Haley, owner of the old Merion Square Hotel, at Gladwyne; Jacob Shurtle, Pottstown, and Mrs. Hannah G. Meaney, of Conshohocken.

Because of failure to pay monthly installments, or for various other causes, more than 20 licenses ended during the past year, making a total of 159 at the end of 1920. The highest number of licenses the county ever issued was 253 in 1905. In succeeding years the number slowly dropped off to 211 in 1918, 205 in 1919, and 179 issued last year. With the lapse of the three now given up, the total for 1921 will be 156, with further reductions in prospect.

#### CONCERT BIG SUCCESS.

The annual concert of the Cynwyd Choral, which is an adjunct of the Woman's Club of Bala-Cynwyd, drew a capacity crowd to St. Matthias' Hall, Cynwyd, last Monday night, and will provide a good sized sum for the Memorial Library Building Fund of the club. Mrs. Clara Yocum Joyce, the leader of the choral, directed, and an especially attractive program was rendered still more pleasing by the work of Michael Penha, cellist, of the Philadelphia Orchestra; Marie Stone Langston and Ray Daniels Jones.

#### ROBERT S. RIGGS.

Head of Century Old Jewelry Firm Succumbs at Narberth.

Robert S. Riggs, head of the jewelry firm of Riggs & Bro., 310 Market street, Philadelphia, for more than forty years, died at his home, 311 Woodside avenue, Narberth, after a year's illness.

The firm was founded 103 years ago by his grandfather. The other members of the firm are Clarence Riggs, a brother, and Judson Riggs, cousin.

The funeral was held from his home Thursday at 2 o'clock. Mr. Riggs' wife, Mrs. Sarah Thomson Riggs, survives.

#### FATAL ACCIDENT.

On Tuesday, February 1, 1921, Pietro Azzari, an Italian, 49 years old, was killed while preparing a hole in which to bury a large tree stump. After making sufficient excavation to contain the stump he was about to tip the large stump into the hole when he slipped and fell into the excavation, the heavy stump falling upon him, crushing out his life. Gustine Tiburzio, his cousin, was working a short distance away, but failed to hear any unusual sound and did not know his friend had been killed until he missed him and found him dead.

Pietro Azzari was known to a good many of the older residents of Narberth, as he has worked here for nearly twenty years, having first been, for many years, with the late Theobald Harsch. At the time of his death he was in the employ of Wm. T. Harris. The funeral was held from the home of his cousin at 247 Woodbine avenue. An aged father and mother in Italy and two cousins in this country survive him.

Due to the illness of Father Cowley, of St. Margaret's Church, Solemn High Mass was conducted in St. Colman's Church, Ardmore.

## RAINEY WOOD COKE

made at the best and most modern equipped coke plant in the world, and at pre-war prices

The price for Anthracite Coal is, in the main, governed by the law of supply and demand. If the same law were allowed full sway the price would be higher than ever.

Legislative laws are a doubtful remedy.

Let one-half of the people of the Northeastern Atlantic Coast States turn to coke and soft coal, now made cheap by the natural law of supply and demand, in full swing, and both labor and capital in the Anthracite business will be standing on their heads in two weeks' time.

We know from personal experience, some twenty years ago, of a town of 3,000 people about 500 miles west of Pittsburgh, Pa., who then and now use soft coal, few having ever seen Anthracite, and where no one dies except from old age.

The price of coke delivered in this district is \$8.75 per ton in the cellar. Every cent of easy money has been eliminated in making this price. We will have to sell a great quantity of this coke or discontinue it altogether. Please give us an order and tell us what you honestly think of it.

#### WESTMINSTER CIRCLE ENTERTAINMENT GREAT SUCCESS.

Two very delightful evenings were enjoyed by those who were fortunate enough to be able to get inside the Sunday School room of the Narberth Presbyterian Church, on Thursday evening, January 27th, and again on Tuesday evening, February 1st, when the members of the Westminster Circle gave two charming sketches, "Joint Owners in Spain" and "The Rag Carpet Bee."

These were given under the direction of Mrs. H. I. McConnell, a member of the Circle, who is a graduate of the National School of Elocution, and she is to be congratulated upon her well-made selection from among the members of the players best suited to the various parts, and the participants in the two casts deserve great credit for the smoothness and finish of their performance.

The evening was made further enjoyable through the kindness of several artists, who gave their time and talent to the Circle. Miss Ebba Sjöholm played two beautiful selections on the piano on Thursday evening, and Miss Wilma Weigel was the soloist on Tuesday. Mrs. Hoffman sang very pleasingly several selections, ably accompanied by Mrs. Nelson Moore, and Mr. George Abel gave two very fine solos on the cello. The readings given on both evenings—on Thursday by Miss Sarah Shriner and on Tuesday by Miss Elsie Miller—proved extremely popular and were heartily enjoyed.

A silver offering was taken, half of which is to be given to the Women's Missionary Society, and the other half to be used in the work and equipment of the new Sunday morning nursery.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsman, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 3 lines; 5 cents for each additional line.

score of 24 to 20. It was a lively game and interesting throughout. "Duffy" Myers starred for our team, rolling in 7 field goals and making 1 foul, the total of 15 points. J. Jeffrey did the heavy work for the visiting team, totaling 5 field goals. Our grammar school boys' team took a trip to the North Building on the afternoon of the 29th and were so polite to their hosts that

they allowed them to roll in the score of 37 to 24. Our boys did good team work and all deserve credit for the excellent game they put up. The largest number of points, however, were made by Lorraine Cuthbert, who made 12 points for our team. Some very interesting games can be seen on our floor most any Thursday and Saturday evening.

The management of the Commercial Bowling League has arranged a new schedule for the second half, as well as making it possible for the various teams to reorganize themselves as they see fit. Everybody is settling down for a good warm contest for the remainder of the season. Games will be rolled on our alleys every Monday, Thursday and Friday nights.

Our "Variety Motion Pictures" on Saturday evenings at 7:30 are interesting to both old and young.

### NARBERTH DELEGATES ATTEND CONVENTION.

(Continued from Page 1.)

Woman's Club House on Thursday of last week. Mrs. Robert J. Rolston, President of Montgomery County, opened the meeting by calling on Mrs. W. T. Abell, President of the Ardmore Club. Mrs. Abell welcomed the fourteen clubs represented. Mrs. Thomas Hallman responded for the clubs. It was the time for election of officers for the coming two years. Mrs. R. J. Rolston, of Ambler, was re-elected as President; Vice-President, Mrs. A. Hamilton, of Cynwyd; Secretary, Mrs. C. P. Fowler (re-elected), of Narberth; Treasurer, Mrs. E. Gudebrode, of Pottstown.

Miss Kate H. Bruster, Probation Officer of Montgomery County, made a plea for a County Municipal Hospital for contagious diseases. Mrs. H. L. Schwartz, Chairman of the League of Women Voters of Montgomery County, stated its aims. Miss Gertrude Ely, of Bryn Mawr, spoke briefly of the European Relief Council, how the eight cents a day we are sending is still very much needed, as it enables the orphans of Europe one small meal a day.

An unexpected heart appeal was furnished by Major General Azgabetian, who told of the "Armenian situation." Of distinguished appearance, in immaculate khaki uniform and wearing many decorations—medals and ribbons—this Armenian soldier outlined a picture of existing conditions among his own people. He stated that Armenia has always been a Christian nation, and that today there are Armenian girls, college graduates, now slaves in Turk-

ish hovels, waiting to be bought by Armenia that they may be free again.

Major General Azgabetian is a graduate of an American college, a Swiss university and of Columbia University, and served in the Russian army against the Turks during the war.

An important address at the afternoon session was delivered by Mrs. Frank Miles Day, of Philadelphia, vice chairman of the Legislative Committee of the State Federation, on its legislative program, which she urged the assembled delegates to work for through the fourteen Montgomery county clubs represented by them.

A feature of this program is a demand for vigorous legislative support, in Pennsylvania, of the prohibition amendment by enactment of appropriate legislation in the State. The program calls for a State budget system, with special emphasis on appropriations to non-State institutions.

The call for a constitutional convention is advocated by the Federation, which (to quote Mrs. Day) considers the "present State Constitution too old and moss-backed for anything."

A comprehensive school system, with well qualified teachers in every school room, which carries increased salaries for teachers; adequate provision for reforestation and prevention of forest fires; measures for prison reform, including State correctional farms for jail and workhouse prisoners sentenced to more than thirty days and compensation employment of prisoners under the "State user system."

A State housing code; legislation to raise the standards of motion pictures; adequate appropriations for State reformatories for women and the village for feeble-minded women and for the mothers' assistance fund were also included. Mrs. Day said the Pennsylvania Federation will oppose "all attempts to weaken labor laws applying to children, women or men."

Mrs. A. K. Gregory, president of the Woman's Club of Bala-Cynwyd, rendered a delightful reading of Barrie's story, "The Old Lady Shows Her Medals."

There was community singing, a piano solo by Mrs. Oscar Patton, of Ardmore; "Prelude in C-Sharp Minor," by Rachmaninoff, and vocal solos by Mr. Horace Entreken, of Ardmore.

The spring meeting is to be held at Narberth.

club member, as instructress in this fascinating and profitable art at classes to be held every other week. So watch for the Easter parade of Junior "chapeaux," for by that time there will be some really "perfect poems of hats" ready for display.

The remainder of the evening was pleasantly spent in dancing, in singing by—or rather with—the Glee Club, for it really comprises all of the members, and in partaking of the very enjoyable hot chocolate and cake provided by the hostesses for the evening.

qualification one month in order to vote in a primary election. Other students of our election laws have recommended lengthening this period in order to prevent the colonization of divisions just before elections, as has been done in the past. This is an important question, particularly in this State, where so many of the contests are settled in the primaries.

Senator Barnes, of Carbon County, introduced a bill which will authorize County Commissioners to provide proper facilities and quarters for women jurors.

Senator Hackett, of Northampton County, has introduced a bill to exempt women from jury service. This bill seems unnecessary, as the Judges already have power to excuse any woman who has a proper and legitimate reason for being unable to serve.

No man or woman should accept the rights or privileges of citizenship and not be willing to take the responsibilities. Women should not shirk their duty if called upon for jury service, and in these early days of our enfranchisement we should vigorously oppose any class or sex legislation.

It was altogether a very pleasant evening and the Post and the Auxiliary were very much gratified at the large attendance of their fellow townsmen, which shows their kindly interest in the Post, and it is to be hoped that when the next yearly meeting comes along even more of our Narberth friends will be there.
